

Make an Icelandic Sheep

Materials

cardstock or posterboard
construction paper
cotton balls
2 clothes pins
black pen
scissors
pencil
glue

Directions

1. Using the template at the bottom of this page, trace a sheep onto a piece of white cardstock or posterboard.
2. Cut out a head and tail from construction paper and glue them onto your sheep.
3. Glue cotton balls onto your sheep for its wool.
4. Color two clothes pins with a black pen and attach them to your sheep as legs.
