

Make an Icelandic Puffin Puppet

Materials

paper bag
black, white, orange, and yellow paper
glue stick
scissors
pencil

Directions

1. Cut a piece of black paper to fit over the bottom of the paper bag and glue it onto the bag.
2. Cut out two white eyes, draw in the pupils, and glue them onto the puffin's head.
3. Using the templates on this page, cut out an orange and a yellow beak piece. Glue these two pieces together and then glue them onto the paper bag.
