OSBERG GREAT HALL

Clad in hemlock and laced with pendant lights, the Museum's Osberg Great Hall features over 4,200 square feet of acoustically-tuned multipurpose space. Built into the west wall is a 16:9 rear-projection screen with a state-of-the-art sound system. The back of the auditorium is designed with a sliding glass wall running the full length of the eastern elevation, and provides a spectacular vista of the Museum's 3,000-square-foot Fisherman's Sun Terrace.

FJORD HALL

The Museum is designed around a linear Fjord Hall that weaves together stories of homeland and the Nordic American experience. Over 280 feet long, this space offers a unique experience for guests, including a PA system, dramatic lighting, and one of a kind art object installations.

FISHERMAN'S SUN TERRACE

The Fisherman's Sun Terrace along the southern elevation of the building provides a modern exterior setting for summer parties and events.

The space can accommodate a 40x60-foot tent.

EAST GARDEN

The East Garden is a perfect location for intimate outdoor parties to host all your closest friends and family.

MEETING ROOMS

The Museum offers two meeting rooms for smaller gatherings, meetings, and classes of many kinds. Simple and elegant Scandinavian furniture offers a variety of room setups, and the classrooms are fully equipped for your conference needs.
